

Whipcheck Safety Cable for DIN205 pressure hose fittings, SS304

- Hose Whipchecks provides an additional level of safety and helps prevent damage to nearby equipment or injury to operators near the failed hose by limiting the whip or travel of the pressurized hose after it breaks free from its fitting
- Improve the security of the system
- Suitable for many different connections
- Not suitable for high pressure air and compressed gas hoses

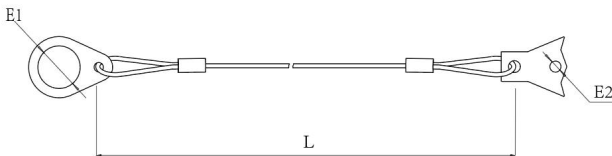

Product Classification

Item Number	6009246
Detail Description	Whipcheck Safety Cable for DIN205 pressure hose fittings, SS304

General Specifications

Material	Stainless steel
Approx. Break Strength	2500 lbs 1134 kg

Dimensions

Hole (E1)	21.1 mm 0.83 in
Hole (E2)	8.1 mm 0.32 in
Length(L)	300 mm 11.81 in

Packaging and Weights

UOM	Kit of 10
Packaging	Bag
Weight, Gross	9.8 kg 21.6 lbs

Certifications and Compliance

ISO 9001:2015	Designed, manufactured and/or distributed under this quality management system
RoHS	Compliant
